

35th Baltimore Mayor's Christmas Parade – December 2nd

Joanne Lancaster with her 1965 Corvette

Paul Myers with his 1971 Oldsmobile 442

Carol & Dean Hansen with their 1973 Pinzgauer military vehicle. Yes, that's a machine gun mounted on top.

Workers just got the parade Santa balloon upright after inflating it in the parking lot.

Pictured clockwise from the top left; Santa riding in a three-wheeled cycle, the parade's color guard, 1964 Corvair, Jerry Gordon's 1984 Lincoln, and 1973 Cadillac Eldorado.
