

## JUDGING SEMINAR

Our annual judging seminar was held on April 28<sup>th</sup> at **Gary Wilmer's** house. It was a cool cloudy day but the rain held off. Everyone welcomed the coffee, hot chocolate and donuts. Chief Judge **Bruce Knott** reviewed the AACA Judging Guidelines, which were purchased by a few people. **Al Lawson**, a senior AACA judge with great knowledge, helped us judge several cars while using the AACA judge forms. Thanks to Gary's lift it made it a lot easier to evaluate the chassis of the car. New knowledge of judging was gained by all. Several members providing their antique cars were:

**Tom Kenny** 1960 Desoto Adventurer; **John Horn** 1966 Ford Thunderbird; **Bill Hensyl** 1940 Packard ;**Bruce Knott** 1969 Ford Mustang Mach 1.

Others in attendance were **Al Lawson, Nick Prevas, Buzz Diehl, Hank Reus Jr., John Harding** and **Denny Louk**.
