Wednesday July 4th was an ideal day for our Independence Day Parade at Towson. Henry Chauldron and Barbara Muldany assisted in registering the 21 of our members and friends that exhibited their vehicles in the parade.

The parade began about 10:30 with the Honor Guards and dignitaries leading the way. There was a large crowd of spectators all along the parade route ranging in age from toddlers to Seniors. They all seemed to enjoy seeing our cars decorated with American Flags and other Patriotic decorations.

There were marching bands, antique and modern fire engines, floats, Weiner Mobile, motorcycles, veteran organizations, Boy Scouts, Girl Scouts and local and state politicians marching the parade route. A great patriotic time was had by all.
