

Baltimore Museum of Industry Show, August 18, 2013

By Paula and Gary Ruby, ODS

The morning sun did not appear, there were mild showers, but it was a good day to spend with friends and fellow car owners at the Museum of Industry in Baltimore. Despite the weather we had 18 cars come out for a day of fellowship and fun. This year we provided a chicken box lunch for those that chose to participate and we also had some sweet treats.

Our special guest was John Kelso from Chambersburg, Pennsylvania who brought a steam-powered 1899 Crouch. This car was built in Baltimore, and the museum hopes to acquire the vehicle for their display.

The following members and their cars were in attendance:

Gary and Paula Ruby 1972 El Camino
Henry Chaudron and Barb Muldowney 1955 Pontiac
Mike Natale 1965 Chevy Corvair Corsa
Chuck and Marcia Talbert 1939 Ford
Dave Benson 1957 T-Bird
Craig and Mary Whitcraft 1953 Mercury
Tom and Anne Kenney with hitchhiker Gary Wilmer
1960 Desoto

Nick Prevas and Maddie Beckett 1966 Corvette
Ruth Synodius and Bill Schmuck 1947 Cadillac
Ron and Julie Siegrist 1952 Olds
Russ Baer 1962 Alfa Romeo
Tom Young 1980 Volare
Buzz and Barbara Diehl 1990 Corvette
Ed Butler 1985 Mercedes
John Shenton 1965 Barracuda
John Shenton, Jr. Jayne and Reese 1978 Dodge Little Red
Express

Also attending were Glen and Kay Drew of Rockville, Maryland with their 1959 Alfa Romeo. They are members of AACA, but not a regional club. We hope that they will become members of Chesapeake.

The Sponsor Choice was awarded to Ron and Julie Siegrist for their 1952 Oldsmobile 98 Convertible.

Thanks to Tom Kenney for the new window cards, and to Buzz Diehl and Tom for taking the pictures.

At the end of the day our museum hosts were already looking forward for Chesapeake Region to return next year.
