What's a car show without a bright yellow, chopped, tubbed, Ford Model A with a 'big block' Chevy motor and a blower?

The well-attended car show on the grounds of North Carroll High School Panthers drew 127 registered cars, trucks and even a lavishly appointed Peterbilt. The show was sponsored, run and hosted by members of the class of 2016; they did a superb job. Two Chesapeake Region members of the class of 2016 are Todd and Andrew Wilmer.

C. R. Members singled out for awards: Larry Butcher, Al Zimmermann, John Krupinsky, Gary Ruby, Don Ramsburg and Owen Garland.
